

**Graduation and Employment Rates reported to the
Accrediting Commission of Career Schools and Colleges (ACCSC)**
The following chart indicates the graduation and employment rates for each program
in the college's 2022 Annual Report

Compass College Graduation and Employment Rates

| Program | Length in Months | Graduation Rate | Employment Rate |
|------------------------------|------------------|-------------------------|------------------------|
| Associate of Applied Science | 24 | 30% (3 of 10 students) | 0% (0 of 1 student) |
| Bachelor of Fine Arts | 45 | 40% (6 of 15 students) | 67% (4 of 6 students) |
| Bachelor of Fine Arts | 36 | 77% (10 of 13 students) | 60% (6 of 10 students) |

Graduation Rate: The school's official graduation rate for each cohort and for the program within the reporting period. The graduation rate is calculated based on the number of students who graduated from the program within 150% of the stated program length.

Employment Rate: The school's official rate of graduate job attainment for each cohort and for the program within the reporting period. The school's official rate of employment is that which is used to determine compliance with accreditation requirements. The employment rate is calculated based on the number of graduates employed in jobs for which the program trained them.
